E.SUGUMAR

SOFTWARE DEVELOPER

📞 +123-456-7890   📍 No : 2, Nehru street, Chengalpatt, Chennai.   ✉ Sugumar@gmail.com

ABOUT ME

I'm a passionate software developer with a strong foundation in computer science and a drive to deliver innovative solutions. With expertise in languages like Java, Python, and JavaScript, I craft efficient and effective software applications. I thrive in collaborative environments and stay up-to-date with the latest industry trends and emerging technologies. As a detail-driven developer, I'm dedicated to delivering high-quality products that meet the evolving needs of businesses and individuals. I'm excited to leverage my skills and experience to drive innovation and growth in the tech industry.

EDUCATION

2022 - 2024

Anna University

Master of Computer Applications

Projects :
- Developed a deep learning model for image classification using TensorFlow.
- Designed an NLP pipeline for sentiment analysis using Python and NLTK.

2019 - 2022

University of Madras

Bachelor of Computer Applications

Projects :
- Developed a web application using HTML, CSS, and JavaScript.
- Designed a database management system using MySQL and PHP.

INTERNSHIP EXPERIENCE

ZOHO TECH (2021)

I'm a highly motivated and detail-oriented individual with a strong passion for technology. With a solid foundation in computer science and programming languages, I'm excited to contribute to Zoho's innovative products and solutions.
